

Multiple Choice FORMS MATRIX

For sampling and equating purposes, divisions have been identified as Group A or Group B for the Spring 2006 Online Test Administrations. Below is a list of the Group A divisions for this spring. If your division is not listed below, refer to the appropriate matrix. The online forms matrix attached corresponds to your division's designation and shows the available forms for the online administration. Shaded gray areas in the matrix represent areas where no online forms are available.

As online test sessions are created, the eMeasurement System will automatically assign the forms listed in the matrix based on the specific Test Administration you select in Session Management. Assigning the correct alternate or accommodation form to an individual student also will require identifying the correct Test Administration and then selecting the appropriate Form Group on the Student Test Details screen. Please refer to Section 4.0 in the eMeasurement™ Services *User's Guide for Virginia Standards of Learning Web-based Assessments* for instructions on how to assign the alternate or accommodation forms. Alternate forms should only be assigned by a DDOT if instructed to do so by VDOE.
